

iPad in the Cockpit

Presentation will review the most popular apps including weather briefing and flight planning. Also, an in-flight comparison of the iPad 2 and iPad 3 in the IFR and VFR environment will be presented.

Directions: El Camino Real to Farady Ave. Turn east to Orion Way, turn left to event.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
